WHO WE ARE

ABOUT TOPFLOOR

Topfloor Sports Infra Pvt Ltd is a leading sports-surface manufacturer and infrastructure company based in Gujarat, India. Founded in 2020, we design, produce and install high-performance surfacing for athletics, multi-sport courts, play areas and fitness spaces — from raw EPDM granules and PU binders to the finished field.

Trading under the promise "*The surface chemistry*," Topfloor combines in-house manufacturing, certified quality and installation expertise. With a growing dealer network and projects across India, Bhutan, Nepal and beyond, we are a next-generation sports brand trusted by schools, institutions and leading developers.

SUSTAINABILITY

RECYCLED BY DESIGN

Our rubber tiles, gym rolls and base layers reuse recycled tyre rubber and EPDM — turning end-of-life material into safe, high-performance sport surfaces for the next generation.
